Descripción

3 plots of land of 512m² (16mx32m), only sold together, has a northwest orientation. It faces the street that separates the beach resort of Santa Isabel de la Pedrera from Punta Rubia. Electricity service at the door. The location is on Km231, Ruta 10, just 2 blocks from the ocean. IDEAL first time property investment as the area is steadily enjoying increased demand from property buyers with a view to future price increases.
