Descripción

This beautiful apartment with a clear view of the sea is located in a thought after area, right opposite the ocean.. It offers a spacious living/dining room that opens to the large roofed terrace with a barbecue, a well equipped kitchen with adjacent laundry area. There are 3 bedrooms with the master en suite, 3 bathrooms plus the recycled service unit that now serves as an office space with bed couch. There is a large wood stove and electric radiators, a garage and a storage room.

The building complex consists of 2 blocks with 3 floors each with ramps and elevators. It offers daily maid service, plus playroom and outdoor tennis court.
